Why "Galaxy Admins"
(the Galaxy Community is already strong)

support

developers

users

what about the people running a Galaxy server for others ?

Goals

- learn from each other

- build a community

Goals

- learn from each other

- build a community

- bi-monthly Web Meetups

- meeting in person at Galaxy events

- *wiki.galaxyproject.org/Community/GalaxyAdmins*

- *wiki.galaxyproject.org/Community/Deployments*

bi-monthly Web Meetups

future generic call agenda:

- 20 min: "Galaxy in Our Town"

Presentation from a local Galaxy institution on what they are doing or a problem they are troubleshooting - or have someone walk through their use cases and pain points.

- 20 min: Galaxy Today/Tomorrow.

Presentation on a Galaxy coding item. Either from Galaxy Team, or from someone working on a new feature or customization.

- 20 min: Open Mic Discussion

the future

- we are looking for volunteers to present

- next Web Meetup: 16. April

   (third Thursday of even Months)

- hope to see many of you at GCC2015
