- cloud computing service
- consultancy

CloudGate

- Fast up/down-load to S3 storage
- Move files fast within files systems on Amazon
- Saturates pipe without using UDP
- Download cloud gate from
 - Omixon.com → proucts → cloudgate

Visit Omixon at booth 226

A hand is shown placing a puzzle piece into a larger puzzle. The puzzle pieces are white with a blue sky and white clouds background. The puzzle piece being placed has the Omixon logo on it, which includes the word "omixon" in a bold, lowercase font, with "BIOCOMPUTING" and "SOLUTIONS" in smaller, uppercase letters below it. A yellow DNA double helix is also part of the logo.
