

# GCC 2015

Galaxy Community Conference

4~~6~~-8th July 2015

The Sainsbury Laboratory  
Norwich, UK

Galaxy is an open, web-based platform for data intensive biomedical research that enables bioinformaticians and bench scientists alike to create, run, refine, and share analyses. This annual event engages a community of biologists, developers, data producers, core facilities staff, and tool creators, all working towards addressing the challenges of big data in biological research. GCC2015 includes code and data hackathons, two days of training, and two full days of presentations, lightning talks, posters, birds-of-a-feather gatherings, and exhibitors.

## Galaxy: Data intensive biology for everyone

The Sainsbury Laboratory

# TSL

## Key Dates

- 20 Apr Talk abstract deadline
- 01 May Poster abstract deadline
- 22 May Early registration deadline
- 4-5 Jul Data & Code Hackathons
- 05 Jul Training SunDay
- 06 Jul Training MonDay
- 7-8 Jul GCC2015

*Late abstracts can still  
be submitted*
